## Principal News

Dear Families,

### Welcome to the 2026 school year!

It is with great pleasure that I welcome our staff, students and families to what promises to be a productive and enjoyable year. I hope the Christmas break provided time for rest, renewal and connection and that everyone has returned feeling refreshed and ready for the year ahead.

It has been wonderful to reconnect with so many of you this morning and hear of your holiday adventures. Although it is only the first day, our classrooms appeared calm and students settled, with routines being established and relationships being built on mutual respect. I have no doubt that this year will begin very positively, as others have in previous years.

We warmly welcome our new students and their families to the St Mary's School community. We also extend an excited welcome to **Evie Jennings, Catherine Connolly, Cassandra Kennedy and Kayla Biggs** who are joining us as new classroom teachers. They are joining a thriving and supportive learning and faith community grounded in Catholic values and traditions that have shaped our school for 184 years since its establishment in 1842.

At St Mary's School, we hold **high expectations for learning and behaviour**, grounded in our Catholic values and our commitment to excellence. We believe every child is capable of growth and success and we strive to create learning environments that are engaging, supportive and challenging. Equally, we emphasise respectful behaviour, personal responsibility and care for one another, ensuring our school remains a safe and positive place for all.

As we begin this new year together, I look forward to a **productive and purposeful partnership** between leadership, staff and families. Trust, collaboration and shared responsibility are central to our success. When we work together with a common vision, our students benefit greatly.

Open and transparent communication is a priority. We encourage families to engage with us, ask questions and share any concerns in a timely manner, knowing that strong relationships are built on honesty, respect and mutual understanding. Together, we can support our students to flourish academically, socially and spiritually.

To stay informed about upcoming activities and events, please make it a habit to read our fortnightly newsletter, particularly the Term Calendars. If you have social media accounts, you may like to follow our official school accounts on Facebook and Instagram.

**Everyone is warmly invited to attend our upcoming whole school, beginning of school year Mass on Friday at 10:00am. Everyone is also invited to attend our Family Picnic on Thursday, February 12 between 5:00pm and 7:00pm at Barwon Valley Park in Belmont.**

As the term progresses, I look forward to reconnecting with you all. As always, my door is open. I am excited about the opportunities that 2026 will bring and confident that, working in partnership, it will be a rewarding year for our whole school community. Thank you for being part of St Mary's School and I look forward to the journey ahead.

Kind regards, Annice

Annice Lappin  
Principal

## Playground Update

While the **Jubilee Playground** is now complete, we await the construction of the sunshade and the installation of the covers for their beams. As the old playgrounds have been removed, we have made the decision to allow a limited number of students to play on the new playground in the interim. A number of recess and lunchtime clubs and alternative activities have also been initiated to ensure students are able to fully enjoy their breaks while the school yard undergoes redevelopment.

St Mary's School acknowledges the Australian Aboriginal and Torres Strait Islander peoples as the first inhabitants of the nation and the traditional custodians of the lands where we live, learn and work.

Dear Families,

I hope you have all enjoyed a peaceful and refreshing Christmas and holiday period and that you have had the opportunity to spend valuable time together. As we begin a new school year, we warmly welcome our students back and look forward to the learning, growth and opportunities that lie ahead.

An important focus at the start of the year is the establishment of strong routines and habits that support student wellbeing and learning. Regular attendance and arriving at school on time are two of the most powerful ways families can set children up for success. Being punctual ensures students begin the day calmly, connect positively with their peers and teachers and do not miss vital learning instruction. Consistent attendance also builds a sense of belonging and continuity, allowing students to fully engage with classroom learning and routines.

At St Mary's, we also place great value on building strong relationships and a connected school community. Throughout this first term, we look forward to welcoming families to a range of opportunities to gather, connect and engage, including our Foundation Parents Morning Tea, the PFA Family Picnic, the Foundation and New Families Parent Welcome Night and parent teacher conversations. We warmly encourage families to join us for year level Masses and to take advantage of the incidental conversations that occur each day with our staff, who are present on the gates at the end of the school day. These moments of connection are central to fostering a welcoming, supportive and faith-filled community.

We thank families for their ongoing partnership in supporting these habits and in engaging with our school community. By working together to prioritise attendance, punctuality and preparedness, we create the conditions for every child to thrive. We look forward to a positive and productive year ahead!

**Warm Regards,**  
**Deborah Boland**

Deputy Principal

### Year 5/6 – Humanities: Civics and Citizenship

In Year 5 and 6, students develop a deeper understanding of Australia's democratic system. They explore the values, principles and institutions that underpin our democracy, including the influence of the Westminster system and the roles of local, state and federal governments. Students learn about elections, law-making and law enforcement, as well as the rights and responsibilities of Australian citizens. They also examine different perspectives on contemporary civic issues, investigate how groups work together for change, and explore the concept of global citizenship, encouraging active, informed and responsible participation in society.

# Spotlight on Learning

## Core Knowledge Focus Areas Term 1

As you read the year level learning outlines below, we encourage families to engage in conversations with their children about what they will be learning this term. Taking time to talk together about these areas of learning helps children make meaningful connections, build confidence and see the value of their learning at school. This focus across the school also demonstrates how St Mary's Core Knowledge scope and sequence carefully builds on the knowledge taught in previous years, ensuring learning is connected and cumulative.

### Foundation – Personal and Social Capability

In Foundation, students explore what it means to be a learner and a valued member of the St Mary's community. They develop self-awareness by learning to recognise, name and express their emotions in familiar situations, building a growing vocabulary to describe how they feel. Children also begin developing resilience by identifying their personal strengths and learning how trying new things helps them manage challenges. Through social learning, students identify the different groups they belong to, such as family, class and community and practise the skills needed to build friendships, include others and form positive relationships with peers and adults.

### Year 1/2 – Personal, Social and Ethical Learning

In Years 1 and 2, students develop an understanding of right and wrong and learn why shared values, rules and responsibilities are important in school and community life. They explore how emotions and dispositions such as honesty and kindness influence behaviour and decision-making, particularly when people may disagree. Students also strengthen their ability to recognise and express emotions, show empathy for others and use simple coping and help-seeking strategies, supporting positive relationships and responsible choices.

### Year 3/4 – Humanities: Civics and Citizenship

In Years 3 and 4, students are introduced to the foundations of government, democracy and citizenship. They learn about key democratic values, how decisions are made in communities and the role of local government in providing everyday services. Students explore why rules and laws exist, the difference between them and why they are important for fairness and safety. They also investigate how people participate in communities and learn about the diverse cultural, religious and social groups that make up Australian society, fostering respect and understanding of others.

## Helping Your Child Settle Back Into School After the Holidays

The holidays are a time of fun, relaxation, and quality family moments. However, transitioning back to school can be a challenge for some children. As parents, you play a vital role in helping your child ease back into their school routine with confidence and enthusiasm. Here are some tips to support your child as they return to school after a break.

### Re-establish Routines

A consistent routine helps children feel secure and prepared. In the days leading up to the first day back, gradually return to the school schedule. This means:

- Setting regular bedtimes and wake-up times
- Encouraging healthy breakfasts to start the day right
- Organising school supplies and uniforms the night before
- Discussing the morning routine to ensure a smooth start

### Build Excitement About School

Help your child see the positives in returning to school by reminding them of the things they enjoy, such as:

- Seeing their friends again
- Favourite subjects and seeing your teachers
- Exciting upcoming events for the term

You can ask questions like, *"What are you looking forward to most?"* to shift their focus to the excitement of learning and socialising.

### Encourage Social Reconnection

After time away, some children may feel shy or disconnected from friends. You can help by:

- Encouraging them to remember friends' names and what they enjoyed together before the break
- Setting up playdates or after-school meet-ups
- Role-playing conversations to help ease social anxiety

### Refresh Their Memory

A long holiday break may mean that some lessons and skills have faded. You can help by:

- Asking your child to share what they remember from school before the break
- Encouraging light reading or educational activities at home

### Offer Encouragement and Support

It's normal for children to feel a little anxious about going back to school. Reassure them by:

- Listening to their concerns and validating their feelings
- Reminding them of past successes
- Encouraging a positive mindset: *"You've got this!"*

By preparing ahead and staying positive, you can make the transition back to school smooth and enjoyable for your child. Here's to a great start after the holidays!

## PFA Secondhand Uniform Sales

Please see [here the price list](#) and contact/order details.  
**EFTPOS Sales only.**

### Parents & Friends' Volunteer Register

The PFA raises funds for school resources, equipment and programs and organises social events for the school community.

Many parents have expressed they are not able to attend P&FA meetings but could be available to assist by volunteering.

**Please complete this [form](#) if you are happy to be included on a register of volunteers.**

## Family School Fees Statements

Families are billed annually for School Fees & Levies at the commencement of each school year for their enrolled child(ren). Any student commencing or leaving during the school year will receive rebates as per the Principal's discretion. Financial support is available through the **Victorian Government's Camps, Sports & Excursion Fund** and the **School Fees Concession Program**. Information and Application Forms for these will be available at the start of 2026 for eligible families wishing to apply.

### Payment of School Fees

All families are required to have a **Fee & Levies Commitment Agreement** in place. The preferred payment option by **Direct Debit either annually, quarterly, monthly or fortnightly**. Families selecting payment by Direct Debit also complete a **Direct Debit Authority Form**, which will continue to operate for the length of time the family has any child(ren) enrolled in St Mary's School Geelong or amounts still owing following departure from school. Amounts payable for your chosen option are adjusted accordingly each year. *Please note: Families who request individual split billing will need to complete separate Fee & Levies Commitment Agreements and their payments will be adjusted accordingly.*

Alternatively, families preferring to make a one off, **lump sum, full payment** at the beginning of the year can do so by cash, credit/debit card or EFT prior to **28 February, 2026**.

If families are unable to comply with either of these methods of payment you are asked to **make an appointment with the Principal** to organise a **Private Fee Agreement**, which will be reviewed each year.

If school fees are not paid, and there is no approved payment arrangement in place, your child(ren)'s enrolment will be reviewed. Legal advice may also be sought for outstanding accounts to be forwarded to a commercial collection agency with any additional collection costs (if applicable) payable by the family.

### Goods and Services Tax (GST)

Education Curriculum is GST exempt, and as such GST does not apply to School Fees & Levies. However other activities of a recreational nature (e.g. Food on School Camps) do attract GST and is charged accordingly.

## Camps, Sports and Excursions Fund (CSEF)

Parents/Carers/Guardians holding a valid means-tested concession card or are a temporary foster parent as at first student day, **28 January 2026**, may be eligible for the Victorian Government's Camps, Sports and Excursions Fund (CSEF) which assists eligible families by providing payments to cover the costs of school trips, camps and sporting activities. In 2026 the amount will increase from \$154 to \$400 for eligible primary school students. The allowance will be paid directly to the school to use towards expenses relating to camps, excursions/incursions, or sporting activities for the benefit of your child. Application forms are available [here](#) for application in 2026.

**NOTE: Families who qualify for CSEF may also be eligible for Fee Assistance through the School Fees Concession Program.**

## Sacramental Enrolment Masses

Information regarding the upcoming Sacramental Enrolment Masses will be shared shortly with families of students in Years 3, 4, and 6. Please ensure you read and respond to the **nForma Notice** as soon as possible.

Family Enrolment Masses for St Mary's School are **21 or 28 February** at 6:00pm.

We look forward to walking this faith journey together, supporting our students in their spiritual growth, and celebrating the richness of our Catholic traditions as a school community.

### nForma: Parent login required for 2026 School Year

St Mary's School has commenced using the **nForma** application (replacing Operoo) for access to student care profiles, school reports, first aid notifications and other communication to school families.

Following on from the Operoo communication sent to all families on 11 December, 2025, please ensure all parents have created individual logins and set up your child's medical profile.

If you experience any issue with login, please contact [Jackie Vaotangi](#) in school administration who will assist.

Reminder, your email must be registered with the school database for nForma to recognise your email to login to the portal. For further information and how to download the Parent App, please see the [How to Guide Link](#).

### PARENT & TEACHER CONVERSATIONS: Book via nForma

Bookings for the conversations will be via nForma Portal for parents, using the nMEET module on nForma. Please look out on the nForma App in the next week for the details.

## School Reminders

### CLASSES BEGIN AT 8:50AM AND END AT 3:15PM

School gates close at 8:50am each morning, when the first bell rings. Students arriving after 8:50am are required to be signed in by a parent/carer/guardian at the school's administration, please bring your mobile device. School gates open at 3:10pm each afternoon, with students being dismissed at 3:15pm.

### STUDENT ABSENCE FROM SCHOOL

Families are required to inform the school of their child's absence with a reason via email to: [absence@smgeelong.catholic.edu.au](mailto:absence@smgeelong.catholic.edu.au) and their child's classroom educator prior to 8:50am on the day of absence. This also includes part day absences (e.g. to attend appointments or early pick ups). **NEW in 2026 - enter your child's future absence via their profile on nForma. How to guides are linked to the Family Handbook.**

### EATING TIMES

**Fruit Break** - Thank you for ensuring that the small fresh fruit or vegetable snack packed is easy to eat whilst students are working and does not require peeling or cutting.

**10:55am - 11:05am** - Supervised Eating Time (Play Break #1).

**1:35pm - 1:45pm** - Supervised Eating Time (Play Break #2).

### SCHOOL ASSEMBLIES

School Assemblies are scheduled throughout the term and are advertised in the school's termly calendar. On assembly days, the **Parish and Front Gates open at 2:55pm** for families to access the school's atrium.

Assemblies begin promptly at 3:00pm and conclude by 3:15pm.

- **PARISH GATE:** Park your vehicle in Yarra Street. This gate is also a good option for families who walk to school. Please note, the Parish Car Park is for school staff only.

**Families are reminded to take care and obey parking signs when picking up and dropping off children around schools.**

### Students wearing SMART Watches

As communicated in the St Mary's School Family Handbook, **Smart watches and other wearable digital devices are not to be worn during school hours.** This is to ensure that students are not distracted from learning. Parents/Carers/Guardians who choose to allow their child to bring smart watches and other wearable digital devices to school must communicate this with the classroom teacher. The smart watch or other wearable digital device must not be worn, be switched off and securely stored in the student's school bag, while at school.

## School Reminders

### St Mary's School Families

Welcome back, I hope everyone had a great holiday.

A friendly reminder to please send an **art smock for your child** to protect uniforms during art classes. An old oversized shirt or t-shirt, clearly labelled with their name would be fine. Art can be a very messy activity so it is important for the students to wear something to prevent little accidents.

Thank you in advance for your assistance, I look forward to another great year of amazing creations.
