## News from the Principal

Dear Families,

Thank you to everyone who contributed to the success of our Whole School Athletics Day. Special thanks to **Mr Nic, Mr Flynn-French and Ms Monea** who worked tirelessly to ensure all aspects of the day were planned and implemented so well. **Congratulations to the winning team Mannix (Red)**, on scoring the highest points. There were many outstanding performances on the day and we look forward to many of the students representing our school in the next stage.

This Thursday, **Bishop Martin Ashe** will celebrate the Confirmation Mass with **Fr Jim Clarke**, our parish priest as co-celebrant. We pray for all our candidates, that they will be sealed with the gifts of the Holy Spirit and use the fruits of the Holy Spirit to live as faith-filled people.

A reminder that to strengthen the connection that our dads have in our school community, St Mary's School is providing an opportunity for them to meet and connect in an online forum, hosted by Sam from **All-Time Dads (ATD)**. The cost for each dad will be \$20. This subsidised cost is to encourage all our school dads to participate. It is hoped that all participating dads will then have a common and strengthened bond in our school community and additional social events can be organised at a school community level. Dads, please read the information on page 7, and register and attend, if possible.

News Corp has launched its **'Australia's Best Teachers'** campaign and Melbourne Archdiocese Catholic Schools (MACS) is a major partner. Australia's Best Teachers aims to recognise the wonderful work of those in the profession by celebrating our most inspirational and innovative educators. The campaign calls on Australians to nominate the great teachers who have, and have had, an incredible impact on our students and all of our lives. A panel of expert judges will then select and announce the top 50 teachers on Saturday 6 May 2023. We have some great teachers at St Mary's School and I would like to

encourage the entire school community to contribute nominations [here](#).

All families will have received information about the **Enhancing Catholic Identity Surveys**. The data from this survey will assist in preparing for our School Review. If you have not done so already, please take the opportunity to complete it as soon as possible. The survey will close on Thursday 6 April.

Thank you to **Greg** from **East Fruit Market** who is once again, generously providing all our students with Fresh Fruit, free of charge, once per term. Our first **'Fresh Fruit Friday'** is this Friday, 24 March. Thank you to **Elyssa Kurelja** from the P&FA for coordinating this event.

Finally, I hope everyone who is able to attend the Parents and Friend's event this Friday evening and enjoy the opportunity to socialise.

Kind Regards, Annice Lappin

## News from the Deputy Principal

Dear Families,

We are in the final days of the 2023 NAPLAN assessment period for Years 3 and 5.

Whilst we began the year encountering some technical issues involving our school's phone system, wifi, printers and server, I am happy to report there have not been any technical disruptions for each test day.

All students competently navigated the online platform and engaged in the assessment material with confidence. Thank you to the Years 3-6 team for the calm and positive way each NAPLAN assessment was administered. This certainly was of great support to our students.

Now that the NAPLAN assessment period is held in March rather than in May, we are hopeful to receive our school's data set much earlier in the school year. Although NAPLAN is only one measure of student and school achievement, the earlier release of data will allow us to act on our results and make adjustments to our curriculum design in a much more timely manner.

Next **Monday 27 March**, is a **scheduled School Closure Day** for St Mary's School. This being the first school closure for the 2023 school year, we thank you for the arrangements individual families make to allow for days such as these to proceed.

On this day, we will be facilitating **Parent & Teacher Conversations from 12:30pm - 5:00pm**. Important reminders include;

- These conversations will be held onsite and in your child's learning space.
- Meeting times are arranged in 10 minute (Years 1-6) or 15 minutes (Foundation) blocks.
- **Your child/ren do not attend this meeting time.**
- Please access the school's grounds via the Front Gate. It will be open from 12:25pm to 5:00pm.

**Bookings via the School Interviews platform close this Friday.**

Lastly, if you have not already done so, you are encouraged to access your child's **SeeSaw Journal**. For this year, SeeSaw Journals will be updated with **four posts per school term**. Each term, SeeSaw Journals will showcase;

- One post for each curriculum area - *Reading, Writing and Mathematics*, providing you with an achievement progress snapshot in the work sample's curriculum area.
- One 'Windows into Learning' post, with all other school and year level specific events communicated in the school's social media pages.

Some helpful ways to engage with your child's SeeSaw Journal include;

- using the SeeSaw post as a conversation starter with your child/ren at home.
- tapping  to like posts and to show students that the posts have been seen.
- leaving a personalised comment that is positive and respectful.

Please make contact with your child's classroom teacher if you have any Seesaw Journal related questions.

## Project Compassion

### Fourth Week of Lent

This week through Project Compassion we learn about Thu, who lives in Vietnam. When Thu was 12 years old, he stepped on an unexploded land mine and lost his leg.

Living with a disability in rural Vietnam presented many challenges for Thu, who worked mainly as a rice farmer. Thu also took on the role of caring for his wife, Linh, after she suffered a stroke.

Determined to turn their lives around, Thu and Linh joined the Empowerment of People with Disabilities program, run by Caritas Australia's local partner in Vietnam, the Centre for Sustainable Rural Development (SRD).

For Thu, the greatest impact the program has had is enabling the change in Linh's physical and mental wellbeing. With the support of a physiotherapist, Linh can now walk short distances with the aid of a walking stick.

Watch a short film about Thu's story [here](#).

**Please support Project Compassion:**

**Project Compassion boxes sent home with students recently, can be returned to the school early in Term 2.**

Thank you for your support.
