	We treat others the way we want to be treated	T4, Week 1 and 2
	We walk safely when moving around the school and community	

The School-Wide Positive Behaviour focus is introduced and explicitly taught each fortnight (Mondays - odd weeks) and reinforced daily.

Student awards are based on the fortnightly focus and are awarded to students who display these values consistently. Awards are presented to students in class and recognised by their peers at the end of each even week.

At St Mary's School, we are *respectful, responsible and safe*
